BLYTH TOWN FC COVID 19 RISK ASSESSMENT – TEAM TRAINING & MATCHES

Activity – Training / Matches	Age group – All	Day / time - All	Venue – South Beach Playing Fields, South Newsham	Appendices A - H
-------------------------------------	-----------------	------------------	--	------------------

Originally prepared – 20th June 2020. Updated 19th July 2020 following revised guidance from the FA issued on 18th July 2020. Updated 31st July 2020 for use in competitive fixtures against 3rd party opposition.

This document has been prepared in order to aid our teams in returning to team training activities in a safe manner. It covers training / match activities.

Dave Lynn has been appointed the Club's COVID-19 Officer. If there are any questions on this document or other COVID-19 related matters please contact blythtownwelfare@gmail.com

Blyth Town FC aim to provide a safe environment for all players, parents and coaches in attendance, whilst adhering to UK Government, Northumberland FA and The FA guidelines where necessary. The guidelines are in place at the time of writing (31st July 2020) and we will review any further guidance issued on an ongoing basis and amend our risk assessment if required. A review will be performed at least once per month.

Revised guidance, issued on 18th July 2020 states:

- Until 31st July – when ready, you can begin competitive training, with the overall group size (inclusive of coaches) being limited to 30 people
- From 1 August – outdoor competitive football matches to begin, for example pre-season fixtures, festivals and small sided football competitions
- From 1 September – grassroots leagues, men's National League System, Women's Football Pyramid tiers 3 to 6, and FA Competitions can commence

The FA issued detailed guidance regarding a return to contact football on 18th July 2020. The key points from that guidance, and Blyth Town FC’s response, are detailed in the tables on the following pages.

Key points of revised guidance issued by the FA	Blyth Town FC response
<p>Everyone should self-assess for COVID-19 symptoms before every training session or match. If you are symptomatic or living in a household with possible or actual COVID-19 infection you must not participate or attend.</p>	<p>No change to previously issued Risk Assessment.</p> <p>See details on page 7.</p>
<p>· Clubs and facility providers should ensure that their facility is compliant with current Government legislation and guidance related to COVID-19.</p>	<p>At the time of writing this Risk Assessment the club’s facility remains closed for general use. Outside toilets will be made available on match days and the men’s first team will have limited use of the changing facilities.</p>
<p>· Competitive training is now permitted, with groups limited to a maximum of 30 people, including coaches.</p>	<p>Competitive training is now permitted by the club. Teams are instructed to adhere to the 30 person limit (although we do not expect that any individual teams will have an issue with numbers). COACHES MUST ENSURE THAT THEY ADHERE TO THE SAFEGUARDING GUIDANCE ON COACH:CHILD RATIOS – SEE APPENDIX G.</p>
<p>Competitive match play is permitted, with social distancing in place before and after the match, and in any breaks in play.</p>	<p>Competitive match play will be permitted by the club from 1st August 2020.</p>
<p>· Players and officials should sanitise hands before and after a game as well as scheduled breaks throughout a game or training session.</p>	<p>No change from previously issued Risk Assessment.</p> <p>Se details on page 13.</p>
<p>· Ball handling should be kept to a minimum with most contact via a boot and the ball disinfected in breaks of play.</p>	<p>Players / coaches will be instructed to restrict ball handling to an absolute minimum. Balls will be disinfected in breaks of play. See page 12 for further details.</p>
<p>· Youth football coaches are encouraged to limit persistent close proximity of participants during match play and training.</p>	<p>Coaches will be instructed to be aware of this and limit close proximity. See page 12 for further details.</p>

Key points of revised guidance issued by the FA	Blyth Town FC response
<ul style="list-style-type: none"> · Goal celebrations should be avoided. 	<p>No group goal celebrations are allowed. No close proximity is to be allowed. Players can celebrate scoring individually but no collective celebrations are permitted.</p>
<ul style="list-style-type: none"> · Equipment should not be shared, and goalkeepers should ensure they disinfect their gloves regularly in breaks in training or matches and thoroughly afterwards. Where possible, coaches should only handle equipment in training. 	<p>See page 12 and 13.</p> <p>Bibs are permitted – however each player must only use one bib max per session and all bibs MUST be washed between each session. No sharing of strips.</p>
<ul style="list-style-type: none"> · Where possible, players, coaches and officials should arrive changed and shower at home. Use of changing and shower facilities must follow government advice on the use of indoor facilities. 	<p>Changing facilities remain closed for now (exception of men’s first team). Players / parents have been informed of this.</p>
<ul style="list-style-type: none"> · Participants should follow best practice for travel including minimising use of public transport and walking or cycling if possible. People from a household or support bubble can travel together in a vehicle. 	<p>See page 8.</p>
<ul style="list-style-type: none"> · Clubs should keep a record of attendees at a match or training session, including contact details, to support NHS Test and Trace. 	<p>No change to current practice. All coaches should complete the Training Group Record in Appendix B. NFL have issued attendance register forms for games which are to be used by all BTFC teams.</p>
<ul style="list-style-type: none"> · Clubs should ensure they are affiliated with their County Football Association. 	<p>Blyth Town FC is affiliated with Northumberland FA.</p>

Key points of revised guidance issued by the FA	Blyth Town FC response
<p>Separate guidance has been developed for clubs with teams competing in the men's National League System (NLS) and the Women's Football Pyramid tiers 3 to 6. This will support these Clubs on the safe return of paying spectators and also the applicability of the guidance to facilities under Ground Grading conditions, to ensure the safe return of competitive matches.</p>	<p>To update separately.</p>
<p>Please note that at this stage, indoor football and futsal is not permitted. The FA will look to work with indoor facility providers to develop appropriate guidance for indoor formats as soon as possible.</p>	<p>No indoor training is permitted by the Club.</p>

APPENDIX D - BLYTH TOWN FC COVID 19 RISK ASSESSMENT – PARENT / GUARDIAN CONFIRMATION

The FA issued detailed guidance regarding a return to contact football on 18th July 2020. As part of this all parents / guardians must be aware of the detailed requirements. Steps that we require you to undertake and adhere to our as follows:

- You must sign to confirm that you have read and understood the club Risk Assessment and the Code of Behaviour and are happy for your child to train under that framework.
- You must confirm to your Coach – **BEFORE EVERY TRAINING SESSION** – that anybody attending training is not showing the signs of COVID-19. This will be in the form of a text message / whatsapp message / email.
- You must observe social distancing rules whilst watching training. You can watch in groups of up to 6 people and must socially distance (> 2m apart) at all times
- Please ensure that your child comes to the training session with their own drinks bottle and hand sanitiser.
- Please ensure that your child arrives changed and ready to exercise
- Please encourage your child to observe social distancing before and after training

APPENDIX E - BLYTH TOWN FC COVID-19 CODE OF CONDUCT

CODE OF BEHAVIOUR

COVID-19 is a highly infectious and dangerous disease. A resumption of contact play is only achievable if those involved create and maintain a controlled environment that minimizes the risk of infection.

Risk in sport cannot be completely eradicated but with caution and care these risks can be reduced.

Each player will need to decide when to return to contact football, based on their own circumstances and the arrangements that have been put in place for a safe return. This is particularly the case for players from BAME communities or those with underlying health conditions.

All those returning to competitive grassroots football must adopt the following code of behavior:

- **Be aware of your own personal health.** If you show any of the COVID-19 symptoms then you must stay at home, inform NHS Test and Trace and seek medical advice
- **Be responsible.** Read the guidance provided by The FA and by your club so that you are aware of the changes to the game and what is expected of you. This will include things like being prepared to wash your own kit, bringing your own labelled water bottle and being aware of changes to meet up times
- **Practice good hygiene.** Wash your hands regularly and before, during and after a game.
- **Where possible maintain social distancing.** This won't always be possible in a competitive match environment (for example when tackling an opponent) and that is acceptable. However, before, and after a game you should maintain social distancing.
- **Support NHS Test and Trace.** You're likely to be asked to provide your details so that in the event of a COVID-19 outbreak those potentially infected can be traced. This is to everyone's benefit so please co-operate.
- **Do not spit.** Spitting and the rinsing out of mouths is now a recognized risk to health and must not be done. Avoid shouting or raising your voice if face to face with other players.
- **After the game.** Be aware that other users may be waiting to use the facilities. Changing rooms and showers are likely to be closed and any socializing must follow the Government's guidance on social distancing.

APPENDIX F – PARENT / GUARDIAN SESSION CONFIRMATION

I confirm that my son / daughter, or anyone else attending today's training session, is displaying none of the below signs of COVID-19 and is fit and well to attend training.

COVID-19 symptoms:

1. Fever (temperature above 37.8 degrees Celsius)
2. A new continuous cough
3. A shortness of breath
4. A sore throat
5. A loss of, or change to, sense of smell or taste
6. Generally feeling unwell

APPENDIX G – FA GUIDANCE NOTE 5.5 RATIOS OF ADULTS TO CHILDREN JULY 2020

The FA issued guidance in July 2020 regarding the appropriate ratios for the number of coaches required to train groups of children. These **MUST** be adhered to at training sessions / matches and are as follows:

Whatever the age of the children and type of activity, **a minimum of two FA-DBS-checked coaches / adults** must always be present. This ensures at least basic cover in the event of an incident.

NSPCC recommended adult to child ratios applicable to training / matches:

- For 4 to 8 years – one adult to every 6 children (1:6)
- For 9 to 12 years – one adult to every 8 children (1:8)
- For 13 to 18 years – one adult to every 10 children (1:10)
